## REEA Diamond DREI Renewal Status Criteria

Please check the appropriate box below

**A. Active Status:** The REEA Diamond DREI is awarded for a one-year period. During the third year of original award, and subsequent (3) three-year renewal cycles, REEA Diamond DREI's must renew their REEA Diamond DREI. Successful exam performance and instructor video submission are not required for renewal. Active renewal requirements are:

1. Pay annual \$75 renewal fee.
2. Maintain active REEA membership in good standing.
3. Submit an executed Renewal Affidavit attesting to active involvement in real estate education as a profession at time of renewal; and
4. Attend at least one (1) REEA Diamond DREI Summit in the previous three-year period.

**B. Inactive Status:** Inactive status is available to a REEA Diamond DREI after one (1) Active 3-year award period if designee cannot meet the criteria for a second (or subsequent) renewal term but wishes to retain the REEA Diamond DREI designation. REEA Diamond DREI's who are not currently involved in real estate education or have not met the REEA Diamond DREI Summit attendance requirement for active renewal would fall into this category. Inactive renewal requirements are:

1. Pay annual \$75 renewal fee.
2. Designees in this category must only refer to themselves as "REEA Diamond DREI (Inactive)".
3. Maintain active REEA membership in good standing; and
4. To reinstate Active Status, designees must meet the current Active REEA Diamond DREI renewal requirements.

**C. Retired Status:** REEA Diamond DREI's who are no longer actively involved in real estate education and have no future plans to become re-involved may select this category. Such REEA Diamond DREI's will neither be required to pay any annual fee/ REEA Diamond DREI dues nor have to attend a REEA Diamond DREI Summit to maintain this status. Such REEA Diamond DREI's must only refer to themselves as "REEA Diamond DREI (Retired)".

*I certify that all statements made in this application are full and true and are made for the purpose of renewing the designation of the Real Estate Educators Association Diamond Distinguished Real Estate Instructor. Furthermore, I understand that unless I meet all the renewal requirements of the status checked above as established by the REEA Diamond DREI Leadership Council and the Real Estate Educators Association, I will not be entitled to the Diamond REEA DREI.*
