## Brand New State of the Art Instructor Development Workshops

Full Day – 6 Hours IDW

(3 Hours IDW General and 3 Hours FH IDW)

Today's competitive and rapidly changing market dictates that real estate educators deliver high quality, high impact courses to students who "learn by doing". Therefore, these IDWs employ a wide range of teaching methods to meet current classroom needs. Join us and learn up-to-date methods of engaging, role plays, task groups and question writing. This highly interactive day will provide hands-on practice using real life examples that allow you to develop continuity between elements of the presentation, from creating outlines, learning objectives, visuals, tests and student materials, all while fulfilling regulatory requirements!
